

New
Large towel bar

Cinier
Radiateurs contemporains

Modern and functional, the large **CINIER** towel bar is designed specifically for the **CINIER** radiators in contemporary bathrooms.

The oversized Cinier towel bar allows a custom positioning over our highly decorative radiators and is ideal to dry large towels.

It is equipped with a hidden fixing device offering a luxury detail in your bathroom fixtures.

It delivers a refined balance between a bathroom accessory and modern design.

Perfect finish.
